Located about 80 kilometres south-west of Bhubaneswar, the capital city of Odisha, Dhenkanal is nestled in the rural and tribal hinterland of the state, connected by both rail and road (NH55).

IIMC, Dhenkanal, which began its operation in rented accommodation, shifted to its own campus on the lap of Paniohala (meaning ‘hanging water’ in Odia) hills in May 2000, away from the hustle-bustle of the town. The 7.5-acre new campus commands a majestic view surrounded by deep forest, a habitat of a variety of plants, animals and insects.

Initially, it offered only the Post Graduate Diploma in Journalism (English) Course with 40 seats. Later the seats have been increased to 68. In 2001-2002 academic year, a Post Graduate Diploma Course in Odia Journalism was introduced with 15 seats. It was the first time that a language journalism course, besides Hindi, was launched by IIMC. Presently, the Odia Journalism course has 25 seats.

Since 1993, the Dhenkanal Campus has produced more than 1600 media professionals. Most of them are working in leading mainstream national and international media organizations as well as government establishments and NGOs. Many of them are also working in public relations and advertising domain. Some of them have started media units of their own; some have joined academics

IIMC Kottayam: Indian Institute of Mass Communication’s Regional Centre in South India was founded at Kottayam – the land of letters, latex and lakes – in 1995. It was established to impart quality training to working journalists, Public Relations professionals and State Information Officers.

In 2012, for the first time, IIMC Kottayam opened its doors to graduate students with the introduction of Postgraduate Programme in English Journalism. Since then, IIMC Kottayam has been consistently nurturing journalism talents with commitment, quality and industry-readiness. In the year 2017, Postgraduate Programme in Malayalam Journalism was launched in the Regional Campus with a view to set new quality standards in journalism training in the regional milieu.

In 2019, the new and permanent Southern Regional Campus of IIMC was made functional in the 10-acre lush green, scenic locale at Pampady, around 12 km away from Kottayam. It is a residential campus with an Academic Cum Administrative Block, Students’ Hostel, Guest Suites, Staff Quarters and other facilities.

With the new campus, IIMC Kottayam envisions to enhance its stature by initiating a bunch of new short-term courses for communication professionals from public and private sector. In the coming years, IIMC Kottayam aspires to be the main hub of mass communication and media training, in South India.

IIMC Amravati: The Western Regional Campus of the IIMC was established in 2011 at Amravati—the land of legends, surrounded by the Satpura range forests, and opened

its doors to graduate students with the Postgraduate Journalism Diploma Programme in English. Students from this Centre have earned extremely high academic credentials with excellent track record. Ever since, this course has earned good reputation with its students pursuing careers in major media organizations in the country.

In the year 2017, Marathi Journalism Programme was launched with specific thrust to promote quality training in the language media on a national scale.

IIMC Aizawl: The Aizawl Campus of IIMC was inaugurated on August 8, 2011. Despite proliferation of newspapers and television channels in the North East Region of the country, there was hardly any centre for media training facilities in the region. The IIMC's Aizawl Campus aims to bridge this gap by training media professionals who could contribute to this ever-burgeoning sector.

At present, the Institute is housed in temporary premises provided by the Mizoram University and runs the Postgraduate Diploma Course in English Journalism. However, the full-fledged permanent residential campus of IIMC is fast nearing completion in the 8-acre lush green locale.

IIMC Jammu: While extending its coverage at all-India level, IIMC set up its Regional Campus at Jammu also during 2012-13. The Government of Jammu & Kashmir has provided rent-free accommodation to IIMC for academic facilities, as well as for the students' hostel and guest house for visiting faculty.

The construction of the permanent campus is fast nearing completion in the 15 acres of land earmarked for the same. Presently, the campus runs Post Graduate Diploma Course in English Journalism only.
