PUBLIC NOTICE

SUBJECT: Workshop/training programme for nodal officers working on Scholarship and Fellowship Management Portal (SFMP) towards disbursement of UGC Fellowship/Scholarship

The UGC is disbursing Fellowships/Scholarships through Scholarship and Fellowship Management Portal (SFMP) developed by Canara Bank which is integrated with Public Financial Management System (PFMS) platform for payments through DBT mode. The payments to the awardees are generated automatically on the portal for all awardees linked by University/Institution/College based on monthly confirmation of candidates by the concerned University/Institution/College on the designated web portal <https://scholarship.canarabank.in>. Recently UGC has introduced new enhancements in the portal such as linking initiation by the scholar, monthly payment confirmation initiation by scholar, tracking module, grievance module and onboarding of academic user, etc.

Therefore, UGC has decided to hold training session/workshop for **nodal officers working on** Scholarship and Fellowship Management Portal (SFMP) through online/virtual mode from 14th November to 18th November 2022 as per the attached schedule.

All the institutions are requested to depute the concerned nodal officers (Maker/Checker) working on SFMP to attend the workshop mandatorily. The link of the virtual meet will be shared separately.
